# BACKPACKS WITH ERGONOMIC BACKREST

## School backpacks ErichKrause ErgoLine® 15L

The ergonomic multilayer construction of the ErgoLine® System and the minimum weight of 520 grams keep children's posture healthy

The spacious compartment with an elastic band for A4+ textbooks and a mini-organizer. Front pocket on a secure zipper with a smooth run and two expandable side mesh pockets

Reflectors are all-around

Plastic feet protect from dirt and liquids

Shoulder straps and handle attachments are reinforced with extra seams

Handle is made of durable webbing strap

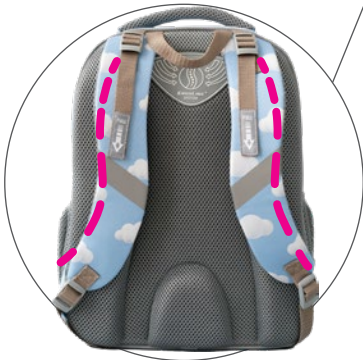

Soft-padded top handle

The ergonomic back distributes the weight evenly and reduces spinal load

39 cm  
28 cm  
14 cm

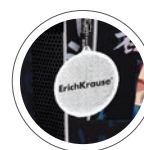

The soft S-shaped straps do not overtighten shoulders

The "breathable" AirMesh material and air channels between the back pads contribute to extra air ventilation and heat elimination

Front zip pocket and two expandable side mesh pockets

The latest collections include keychains, patches, applications, screenprinting, embroidery, velvety flock and luminous paint
